Thank you for shopping with us. Your business is appreciated. It is our intention to have the best selection of bass and freshwater fishing tackle in Indiana. We attempt to bring some of the newest, hottest, and innovative products to you; all-the-while maintaining an excellent selection of "the old reliables". Should we not have a product that you are seeking, let us know. If it is not proprietary to, or an "exclusive" item to one of the big box stores, we will make every reasonable attempt to procure it for you. Please note that some of the manufacturers have minimum ordering requirements - even for dealers. We will work with you the best we can. Your satisfaction is our goal and your referral to others about our store and service is our "reward".

FYI: Did you know that we stock over 800 pegs of ZOOM Plastics?
