OFFICIAL RULES AND REGULATIONS

1. The rules of this tournament as stated below will remain unchanged. Any questions will be left up to the tournament director for final decision.

2. GENERAL: Team members must fish from the same boat and must stay together and within sight of each other during all fishing hours. The contestants must leave the starting area and return to it by boat. All boats must stay in the water during fishing hours.

3. TACKLE: Casting, spinning and flipping tackle may be used, however, no more than one rod or fishing line may be in use at any one time by each contestant. Only artificial lures may be used. No live or prepared bait will be allowed with the exception of pork rinds, chunks, strips, etc.

4. BOATS/MOTORS: It is the responsibility of each team to provide for their own use, a boat meeting the following requirements: Boats must be a minimum of 14 feet in length. A team may use their own boat or one that is rented or borrowed, as long as it meets insurance requirements. Each boat must have an operating live-well capable of aerating or circulating a limit of fish. Each boat must have a functional kill switch. The tournament director reserves the right to disqualify any team which is operating an extremely overpowered boat. All boats and motors must meet state requirements for safety standards.

5. BOAT OPERATION: Sportsmanship and safe boating is paramount at all times. Each contestant must wear a U.S. Coast Guard approved life preserver any time the main engine is in use.

6. FISHING: Fishing is permitted anywhere on the lake except within 50 yards of a marina gas pump or another contestants anchored boat. All fishing must be done from the contestants boat and all fish must be landed from within the contestants boat. All state fishing rules and regulations will apply. Tournament daily possession will be (5) FIVE fish per team. No culling of fish at the weigh-in site will be permitted.

7. SCORING: Only (15") Largemouth, Smallmouth, or Spotted bass will be weighed for score. Scoring will be by decimal weight. Bass which are less than lake legal length will be disqualified and a **1.0 pound penalty** will be imposed on the team's total weight. Any team/contestant which brings in more than the tournament limit will be disqualified for that day. Any fish which has been mashed or disfigured by a contestant will be subject to disqualification for score. There will also be a **1.0 pound penalty** for each dead fish weighed in. **The tournament director will determine a dead fish.**

8. LATE PENALTY: Contestants who fail to check in at the official check-in area boat at the appointed time will be penalized at the rate of **1.0 pound per minute** deducted from the total weight of their catch for that day, including any weight to be counted toward a big bass. Any competitor more than fifteen minutes late will lose all credit for that days catch.

There shall be no excuses for tardiness.

9. WEATHER: The start and finish times for the tournament may be adjusted if the tournament director determines that the weather conditions prohibit safe operation. The total fishing time allotted for each team will remain equal for all teams.

10. PROTESTS: All valid protests will be heard and considered by the tournament director. Any contestant wishing to lodge a protest against another contestant must do so in writing and be signed by the protester.

11. TIES: All ties will be determined by the number of fish in the creel. A tie for big bass will also be determined the same way. A flip of a coin will determine a tie after that, along with who will receive any awards.

12. ALCOHOL: No alcoholic beverages or drugs are permitted in any boat during tournament hours.

13. STATE LAWS: Any cited, major infraction of state boating laws during tournament hours and reported to tournament director by the Department of Natural Resources will be subject to disqualification!

14. CHEATING: A **stress test** may be given to the 1st place team and two other teams to be determined by a random draw! **Anyone that is caught cheating will be disqualified and banned from any future Got 2 Love It Tournaments!**

15. ENTRY DEADLINE: The first 125 boats!

16. THE FISH: All bass will be returned to tournament waters if found to be alive! (NO EXCEPTIONS!)

17. INSURANCE: All boats used in this tournament must carry a minimum of \$100,000.00 liability insurance, and must have upon request, a certificate of proof of insurance!

18. OFF LIMITS: Will be sunset the day before the event!

19. TAKE OFF TIMES: You must be in the water and ready to go 15 minutes before official take off time. Anyone that checks in after this time will lose one pound per minute from that days catch. Anyone that checks in after 10 minutes from official check in time will be disqualified. Cut off time will be 15 minutes prior to take off time.
