Greetings Angler's,

Please excuse my tardiness in getting the pictures posted & posting this report. This year's event was a little off last year's mark of 125 boats. With the economy like it is, I was very happy with the turnout. Hopefully this won't last much longer.

1st Place was the father & son Team of **Tim & Dustin Vaal** with **17.04** lbs. **2nd Place** was the Team of **Lewis Mallory & Mike Quilin** with **16.43** lbs. **3rd Place** went to the Team of **Larry Sisk & Todd Dixon** with **14.78** lbs. **Larry Sisk** also was the winner of the Top finishing Skeeter boat owner earning him an additional **\$500.00**.

The Top M/F team was the team of **Rick & Mitzi Hawkins**. The Top A/Y team was the team of **Eli & Shawn Smith**. Both teams won an additional **\$400.00** for their efforts.

Congratulations to all the Winners!

Thanks to all who fished the event, the Southern Indiana Marine Corps League really appreciated your participation in this year's event.
